ABOUT WHEF

- The **World Hindu Economic Forum (WHEF)** was created to bring disparate financially successful elements such as **traders, bankers, technocrats, investors, industrialists, businesspersons, economists professionals etc.** to come together so that each group can share their business know-how, knowledge and expertise so that wealth is created through an effective business platform.
- **World Hindu Economic Forum** is an organisation involved in the activities to act as catalyst for Hindus of the world to grow their GDP

World Hindu Economic Forum

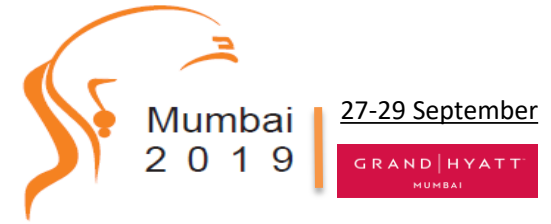

WHY WHEF

- To help Hindus cooperate and collaborate globally so that market access is facilitated amongst them.
- Support a financial ecosystem to enable availability of appropriately priced capital for business growth.
- Encourage, support and mentor budding Hindu entrepreneurs.
- Match technologically savvy Hindus with those who can convert technical innovation into business with ideas, funds and market.

World Hindu Economic Forum

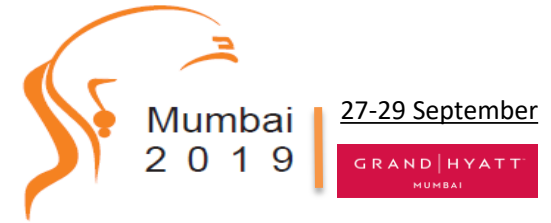

HOW

- WHEF conducts various national and international activities for the singular goal, which is to aid the Hindus across the world to grow the size of economy with productive means.
- We annually host 3 days gathering at various cities of the world, the last being held at Chicago in 2018 and the next being held at Mumbai in September 2019.

World Hindu Economic Forum

Mumbai 2019

- Mumbai being the financial and economic capital of India and one of the most important cities for global trade in Asia, it promises to bring in diverse participation from across the world. We expect this conference will emulate all other previous conferences in sheer scale, participation and content that aims to benefit each and every participant.
